## WITBIER

4.5%  
13 IBU

Our Wit (White) beer is a Belgian style of flavoured wheat. Wits employ a proportion of unmalted (Raw) Wheat and Light Lager malt in the mash, but also have flavour added in the form of locally sourced orange juice, zest and coriander. Light bitterness comes from German Magnum hops and tartness from citric acid. Appearance is hazy and pale/white. A very refreshing summer thirst quencher to enjoy by the pool.

## CHOCOLATE COFFEE STOUT

6.0%  
32 IBU

Our Chocolate Coffee Milk Stout, is very dark in color, but not in taste. Using Chocolate Malt, American Ale, Munich, Medium Crystal and Oats; a malt sweetness full of chocolate and caramel dominate the flavour profile. Locally sourced Cacao, Coffee and Vanilla are added for a flavour explosion. Milk Sugar (Lactose) lends the style more body and creaminess.

\*Not suitable for those who are lactose intolerant.
